A mix of beautiful smaller Folk Art pieces including the "Old World Antique Toy Seller", "Another Day in Paradise", a painter's tray, plus the "Potet Strawberry Lady" Chair!

Week II, Jo Sonja's "Heidi", June 19 - 24, 2011

Jo's take on Johanna Spiri's HEIDI! Many new techniques are involved. The wood piece is a replica of an antique desk. You will use it to organize your mail, computer papers, or your favorite photos! Come in 1-2 days early to prep and get this piece ready! Very Special!
